

Sketch, Paint and Reflect in Lent

17th March to 21st March

in St Nic's Church

You are invited to come and spend time this Lent in the beautiful building of St Nic's church Newbury.

Enjoy the opportunity to reflect and be creative through sketching, painting and other creative expressions.

Be inspired by the architecture, stained glass windows, the environment within and music. Discover some stillness and the presence of God. Come along to a session!

There will be help on hand for a variety of creative art activities and workshops or feel free to do your own artwork. There will be a selection of art materials available or bring your own.

Lent is a Christian 40-day season from Ash Wednesday to Maundy Thursday where we draw closer to God and reflect, in the lead up to Easter. It is inspired by Jesus' 40-days praying and fasting in the wilderness.
