

St Nicolas Church Harvest Appeal 2025

The St Nic's Harvest Appeal this year will support **Biojemms** to expand their livestock projects in Uganda to help more families build sustainable livelihoods. The project began in 2018 with support from St Nic's and now we hope to see it grow.

Many of the families they work with are rebuilding after experiences of trauma, abuse, or loss. Gifting families a pair of animals to start an income-generating business offers a break-through towards restoring dignity, stability, and hope.

Donations to this appeal will enable **Biojemms** to buy pigs and goats, extend animal shelters, launch a small dairy project, and provide families with skills in business and animal care and cover 2 years of running costs.

The appeal will remain open for the whole of October.
Thank you for partnering with us in these restoration stories.
