PRAYER: DOES IT MAKE ANY DIFFERENCE?

By Philip Yancey

Philip Yancey's book *Prayer: Does It Make Any Difference?* is a big read but also an easy read exploring many aspects of prayer.

For many Christians prayer can be challenging, from the point of view of actually doing it and also from the point of view of its effectiveness.

The book asks all the basic questions like; why pray?, why are some prayers answered and others not? and then explores the answers in an open and honest way. The book also includes personal testimonies of Christians and their real life experiences of prayer which I found very helpful.

Would recommend if you like a deep dive into prayer in a very readable format.
